

JR. & SR. UMY NEWSLETTER

January 2010

Dear Parents and Youth,

A New Year is quickly approaching and with that comes new events, fundraisers and opportunities for faith experiences! We are so blessed at Kennewick First...two full time Youth and Education Directors, beautiful youth chapel with sound equipment and projector, a 47 passenger bus and two "chubby" 15 passenger vans and about 6,000.00 given to help support the UMY groups. Yes, the church is generous in it's support; however as the nation struggles financially, so does the church. In order to continue positive ministry at Kennewick First we are asking for your help. Many of you give and tithe on a regular basis...we so appreciate your consistent giving; however others of you may not have had the opportunity or invitation to make a donation to the church or youth program. We do not want to be in a place where we are forced to make negative changes that could affect the way we do youth and children's programming. At Kennewick First we have always had a strong passion to raise up our young people in the Lord and to teach about faith through scripture and positive experiences. Please help us to truly ring in the New Year with the assurance that we can continue to support a strong UMY program. In order to do our part, staff will be not be receiving any salary increases this year. Please prayerfully consider making a monetary donation to the church so we can continue to go out into the world making disciples of Jesus Christ...or having people come through the doors and being ministered to. All praise and glory to God for the goodness we already experience!

Do not forget to do good and to share, for with such sacrifices God is well pleased.
Hebrews 13:16

One Bus Fill-Up- \$300.00

Pizza for one UMY Group-\$250.00

One who experiences the love of Christ...Priceless!
