Hi Friends,

As we move to the end of Summer and August is coming to a close we are busy trying to put together our programs for the fall and figure out how we can do them in new ways to comply with the safety protocols we have set and want to follow them to make sure we do no harm during this Pandemic.

I met with a group to start the planning for a modified Holy Daze event at the end of October. Rachel and the Youth Ministry Leaders have started planning events like Trunk-or-Treat, that we can do with social distancing all while being aware of our time, distance, and shielding requirements. Video based Sunday School and Bible studies are being planned, and we are starting to piece together a new worship experience for us, as well. Next week, we will

hopefully be able to announce those changes and programs, so we can all make plans to participate as we can.

So, keep an eye out for the announcements as they become available.

I also want to provide a link for you to my weekly update and devotion I share on Thursdays. Many of you have been asking if the requirements that the Governor relaxed for those of us living in counties that have not yet reached Phase II are making changes to our “re-opening plan”. In that video I explain where we, and all United Methodist Churches in the Pacific Northwest Conference, are regarding gathering in our buildings. Please take a look.

And, just a reminder that we are again having our virtual worship gathering over on our YouTube channel at 10:30 am on Sunday. (Remember there is no rule that says you must watch at 10:30 am on Sunday... you can tune in anytime!) Click the link and it will take you to our YouTube Channel, if you need a ride to church 😊

Have a great week my friends!... and go wash your hands
