Dear Gregory Beihl,

Thank you for the pdf for me to complete with education and participation in God's work. 2020 has been, as you know, has been a difficult year and not much in the way of continuing education was available.

In regard to participation in God' work, living in a +55 retirement community has afforded me many opportunities to bring hope and joy. A card, a phone call, or a treat left at the door makes one feel not alone as we stare at 4 walls.

Other opportunities present in a moments notice and I will continue to do all I can to provide hope, faith and love.

Sincerely,

Judy Kookie

Graham
