### **Pave The Way Fundraising Campaign**

Create a legacy for generations to come by purchasing an engraved paver (brick) permanently installed in the courtyard at the Kennewick First United Methodist Church in 2026. The "Pave the Way- Buy a Brick" campaign will help with the cost of the church courtyard beautification project aimed at enhancing both the church and community. This fundraiser allows people to purchase a paver to commemorate themselves, honor a loved one or memorialize someone who has passed. Each brick will be the same size with black lettering.
